# MISSION STATEMENT

To enhance public safety by providing secure facilities and effective post-release supervision for offenders and ensuring a safe and professional work environment for staff while bringing accountability, innovation, and fiscal responsibility to the citizens of Mississippi.

## VISION STATEMENT

The Mississippi Department of Corrections is a model professional agency that adheres to the values of integrity, honesty, and openness in all its practices. As correctional leaders, we believe the safety of the public is of paramount importance and fundamental to our mission. Recognizing that people make up organizations, we value all our employees and are committed to their professional development and well being. We are committed to assisting offenders in becoming productive, law-abiding citizens. As an agency, we provide excellence in public service and strive to continually improve.

## CORE VALUES

**INTEGRITY** — In the behavior, actions, and decisions of our employees.

**FAIRNESS** — In the consistent treatment of employees, offenders, and our dealings with the public.

**DEPENDABILITY** — In doing those things that are necessary to fulfill our mission.

**RESPECT** — In our relationships with each other and those we serve.

**COMPETENCE** — In the performance of our duties and responsibilities.

**OPENNESS** — In all of our communications.

## STATE OF MISSISSIPPI

DEPARTMENT OF CORRECTIONS

PELICIA E. HALL, Esq.  
COMMISSIONER

Dear Fellow Mississippians:

Welcome to the annual report of the Mississippi Department of Corrections for fiscal 2019. It is an honor to share with you a snapshot of the department from July 1, 2018 to June 30, 2019.

You will find a lot of familiar features, such as our assessment of the prison population to include race and gender, plus the primary offense, age at sentence, length of sentence and counties of conviction during the period covered by this report. Our educational, vocational, and treatment programs are once again represented as well.

This report, however, is merely snippets of the department. I am proud to say that despite critical staffing challenges, fiscal 2019 historically was one of the agency's busiest for rehabilitation and re-entry, thanks to the exponential use of interagency partnerships, community partners, and volunteers. We expanded program offerings to help individuals cope with incarceration, transition back to their communities, and improve their chances of being taxpayers rather than tax burdens. We held mock job fairs to ready individuals for release. We increased the number of incarcerated adults assisted with finding employment before their release. We successfully convened the second re-entry symposium, bringing in correctional leaders from surrounding states for a discussion on best practices. We co-sponsored re-entry/resource job fairs in the community.

So, as you can see, we have been very busy carrying out the vision to actively address reducing recidivism and meet offenders' reintegration needs, thereby decreasing future victimization.

The year stands out also for the grand re-opening of the Delta Correctional Facility as a centralized technical violation center (TVC) and legislative approval of a bill to help address contraband cellphones.

No matter how major or minor the accomplishments, I want to always thank our employees for what they do for public safety. With their help, rest assured the MDOC will have another successful year.

Sincerely,

*Pelicia E. Hall*

MDOC Commissioner

# Commissioner Pelicia E. Hall

Pelicia E. Hall is Mississippi's first female commissioner of corrections. Gov. Phil Bryant appointed her in February 2017.

She leads one of state government's largest agencies. She manages about 2,000 employees and more than 30 facilities, including three state prisons, three private prisons, 15 regional facilities, 10 community work centers, two technical violation centers, and four restitution centers.

Hall served as chief of staff at the Mississippi Department of Corrections two years before her appointment. She came to corrections after serving as lead counsel for the Mississippi Bureau of Narcotics. She took the MBN job after having represented the state for three years as a Special Assistant Attorney General with the Office of the Mississippi Attorney General.

Before litigating cases on both the state and federal levels, she was a law clerk for the U.S. Attorney's Office for the Southern District of Mississippi and the Hinds County Circuit Court.

Hall has about 20 years of legal experience in the government and private sectors in a wide

variety of disciplines. She is admitted to practice in both state and federal courts.

Hall began her government career after six years with the private law firm of Page, Kruger & Holland, P.A. in Jackson, where she litigated cases involving personal injury claims, employment discrimination, contract disputes, products liability, premises liability, insurance coverage, and general tort litigation.

Hall is a member of the Mississippi Bar Association, the National Bar Association, Magnolia Bar Association, Capital Area Bar Association, Mississippi Women Lawyers Association, American Bar Association, American Correctional Association, Association of State Correctional Administrators, and Association of Women Executives in Corrections.

Hall earned a Juris Doctor degree from Mississippi College School of Law and a Bachelor of Arts degree from Alcorn State University, where she majored in political science/pre-law.

The Metro Jackson Black Women Lawyers Association recognized Hall as a Legal Trailblazer in 2017. She was honored as a leading Alcornite under 50 in 2018.

She is a proud native of Shubuta in Wayne County.

# Accomplishments

A review of fiscal 2019 include, but not limited to, the following:

## COMMISSIONER'S OFFICE

**Greater awareness of MDOC's needs.** Commissioner Hall created greater awareness about the agency's needs, especially a pay realignment to raise entry-level salary and to address a severe shortage of correctional officers, through legislative budget hearings, media interviews, and recruitment campaigns. The department succeeded in being included in an across-the-board pay raise lawmakers approved effective July 1, 2019.

### New contraband cellphone law.

The MDOC received legislative approval for a new law that allows a circuit court to issue an order to disable contraband cellphones. Senate Bill 2704 took effect July 1, 2019.

### Presidential roundtable.

Commissioner Hall participated in a Prison Reform Roundtable with President Trump on Nov. 26, 2018, in Gulfport, furthering to the national attention on MDOC's criminal justice reform efforts.

### Support for cellphone jamming.

The MDOC joined corrections department nationwide supporting legislation before Congress to allow state and federal correctional facilities to use cell-phone jamming systems.

**Ongoing major shakedowns.** Major shakedowns continue in an ongoing effort to reduce contraband items for the safety of staff and individuals in the care, custody, and control of the prison system.

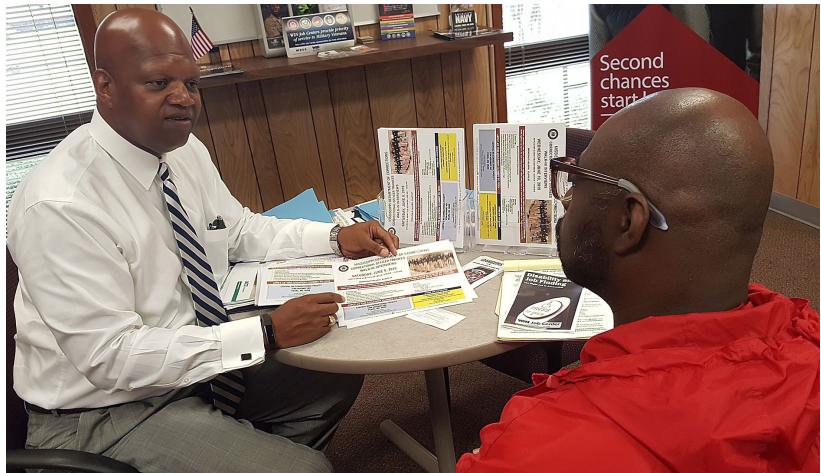

## ADMINISTRATION & FINANCE

### Medicaid reimbursement.

MDOC has an accumulated savings of \$36,855,527 from January 2009 through June 30, 2019, as a result of the Division of Medicaid paying for services provided to Medicaid eligible inmates. The MDOC reimburses Medicaid the state match portion of the provider statement.

**Dedicated recruiter.** The MDOC hired a dedicated recruiter focusing on staff shortages for correctional officers and other positions.

**Recruiting at state fair.** The MDOC recruited at the Mississippi State Fair. During the fair's 12-day run, 165 people stopped by the booth set up at the Trade Mart.

**Video interviewing.** The MDOC began using video interviewing for rapid hire (correctional officer) applicants.

**Electronic filing system.** The MDOC established an Electronic Filing System (EFS) for archived personnel files.

**More crop production.** The Mississippi Prison Agricultural Enterprise (MPAE) farmed 700 more acres than previously.

## INSTITUTIONS

### Updated Emergency Operation Center.

SMCI established an Emergency Operation Center to enhance operations during emergencies. It is equipped with a Premethean Activpanel Interactive Touch Screen TV. This additional equipment enhances the speed of getting EOC staff on site of incident, posting road blocks/roving units during an escape and the tracking of escapees.

**Kitchen renovations.** The Mississippi Penitentiary at Parchman (MSP)'s maintenance department completed renovations to Units 26 and 30 kitchens; and Central Kitchen at South Mississippi Correctional Institution (SMCI) was renovated and a new Vent-a-Hood System installed.

### New mentoring and counseling program.

The Net, a nonprofit mentoring and counseling program, started for male and female adults in custody at the Central Mississippi Correctional Facility (CMCF). Each mentor and mentee met once a week for six months.

**Job ready-food service skills.** In2Work kicked off at CMCF. The multi-phased training program provides adults in custody with the skills and knowledge to get a job post-release in the food, retail or warehousing industry. Participants can obtain ServSafe certification.

**Securing perimeter.** Approximately 26,000 feet of additional razor wire was installed around the top of the entire perimeter of SMCI.

**Greenhouse tomato production.** Adults in custody at the MSP's Vocational School produced 5,901 pounds of tomatoes at the vocational school greenhouse.

### Public alert and warning system.

SMCI's emergency operation staff received FEMA certification and approval to send out law enforcement warning using the Integrated Public Alert and Warning System (IPAWS).

**Saving counties money.** In Greene County, 1,300 adults in custody at SMCI provided 10,400 hours of labor, saving the county approximately \$75,400, and the SMCI Mobile Work Crew with 1,664 adults in custody worked 13,312 hours, saving the county \$96,512. In Sunflower County, 1,031 adults in custody at MSP provided 9,334 hours valued at \$67,671.50 to the county.

## Accomplishments

### Dog training program.

The partnership between CMCF's statewide incarcerated veterans' program and the Iowa-based Retrieving Freedom Inc. (RFI) was ongoing for the state's first prison service dog training program. Ten incarcerated veterans continued training six puppies to become full public-access service dogs for disabled veterans.

### Teaching Thinking for a Change (T4C).

Case managers in Offender Services completed "Thinking for a Change" classes to enhance services provided to adults in custody.

**County trusties.** Approximately 725 adults in custody were classified and placed as "sheriff trusty" in approved county jails by Offender Services.

**CPR training.** The Training Department provided CPR and First Aid training to adults in custody at the Delta Correctional Facility and Flowood Community Work Center.

**Making a difference through the Joint State County Work Program.** Adults in custody in the following counties completed the following tasks: Yalobusha County, refurbished the Yalobusha County High School; Pontotoc County, renovated and painted North Pontotoc and South Pontotoc schools and Pontotoc Vocation Center, painted rooms inside the courthouse and set up all voting machines for elections; and Alcorn and Lincoln counties, made repairs to county offices.

**Substance abuse program.** One hundred and fifty (150) adults in custody at the East Mississippi Correctional Facility (EMCF) graduated a "Therapeutic Community" substance abuse program.

**Recognition.** Marshall County Correctional Facility (MCCF) received the Outstanding Service Award in the Department of Legal Services at the University of Mississippi.

**Education certification.** Wilkinson County Correctional Facility (WCCF) educational program received certification from the Corrections Education Association (CEA).

**Re-accreditation for Bolivar regional.** Bolivar County Regional Correctional Facility (BCRCF) was reaccredited by the American Correctional Association (ACA).

## COMMUNITY CORRECTIONS

### Delta Correctional Facility grand opening.

MDOC officials, state lawmakers, circuit judges, parole board members, and local leaders celebrated Delta Correctional Facility (DCF)'s grand opening as a multi-purpose facility, including as a technical violation center and community work center.

**Thinking for a Change facilitating classes.**  
There were four T4C facilitator training classes for a total of 51 staff members trained to implement Thinking for a Change classes.

### Re-entry housing providers increased.

As of April 1, 2019, the MDOC contracted with five companies to increase the number of re-entry beds from 120 to 314. The combined value of the contracts is \$6,607,230. All contracts end on March 31, 2022, with two optional one-year renewals. In addition to New Way Mississippi Inc., of Jackson and Crossroads Outreach of Madison, these contractors were added: the Center for Independent Learning-Friendship Connection in Jackson, Sober Living Residential in Meridian, and Mississippi Offender Re-entry Experience, or M.O.R.E., in Hinds County.

**Donation drives.** Probation and Parole agents collected food items, clothing, and other goods in community outreach projects to assist hundreds of families.

**Unique program offering at Delta.** Parolees, probationers and others on supervision learned how to save money, reduce debt, establish and re-establish credit, and get their finances on track thanks to a financial boot camp at DCF. Another course, the Manufacturing Skills Basic Program, prepared individuals to work in the manufacturing industry.

## MEDICAL COMPLIANCE

**Changes to A & D Program.** Moral Reconation Therapy (MRT) is now included in the A & D Program. Several A & D Counselors and directors attended training in October. Counselors and directors continue to attend Mississippi Addiction Counselor Training (MACT), Annual Mississippi Addiction Conference, and Mississippi Conference for Addiction Professionals (MSCAP). One director, Katherine Lewis, achieved Certified Alcohol and Drug Counselor (CADC) certification. The A & D counselor and director from SMCI attended Thinking for A Change (T4C) training in March and incorporated T4C into the SMCI A & D Program.

**Free eye screening.** The Vision Van, which caters to inmate families and prison employees, visited MSP April 13-14, 2019, with good participation.

**Conditional medical releases.** Nine terminally ill inmates were released on Conditional Medical Release (CMR) from July 1, 2018 to June 30, 2019.

**A&D Graduations.** MSP had 174 program completions and 50 MRT completions; CMCF had 155 program completions; and, SMCI had 356 program completions, 15 MRT completions, and 13 T4C program completions.

# Accomplishments

## TECHNOLOGY AND PROGRAMS

### More Prison-to-college Pipeline graduates.

Prison-to-College Pipeline Program marked its fifth year in the Mississippi prison system, with more than 150 incarcerated students having completed the courses offered at CMCF and MSP.

### Employment before release.

The Pre-Release Education Program secured 193 jobs for incarcerated adults participating in job development/referral programs. The breakdown is as follows: 95 jobs at MSP, 72 at SMCI, and 26 at CMCF.

**More mock fairs.** Mock Job Fairs were held at the three state prisons to give incarcerated individuals a chance to practice job hunting in readiness for their release.

**Re-entry job fair.** The MDOC participated in a Mississippi Re-Entry Job Fair in June at the Mississippi Agriculture and Forestry Museum in Jackson.

### Re-entry program expansion to northern counties.

The MDOC announced a three-year \$715,230 Improving Reentry for Adults with Co-occurring Substance Abuse and Mental Illness grant that would allow the department to expand to six northern counties a program to assist individuals with co-occurring substance abuse and mental illness returning to their community. The counties are Panola, Lafayette, Marshall, Tate, Calhoun, and Yalobusha.

**Second re-entry symposium.** The MDOC hosted its second re-entry symposium at Broadmoor Baptist Church in Madison.

## LEGAL

**More implementation of re-entry council legislation.** The legal team provided ongoing assistance in the implementation of House Bill 387, which was approved in the 2018 session and took effect July 1, 2018. The new law expands parole to many enhanced penalty cases and a few others from 1995 to 2014.

**Sentence Disparity Task Force.** Legal advice was provided to the newly created Sentence Disparity Task Force in the area of sentences.

**Drafting legislation.** The legal team drafted and assisted with the passage of MDOC's cellphone law.

**Assisting with Criminal justice reform issues.** The legal team assisted with criminal justice reform that changes drug courts to intervention courts, expanded expungements, and opened up more jobs to individuals leaving prison.

## CORRECTIONS INVESTIGATION DIVISION

**Investigations.** The Corrections Investigation Division (CID) conducted 196 criminal/administrative investigations during fiscal 2019. Of those, 25 arrests were made and cases were presented to district attorneys' offices for prosecution.

**PREA audits.** Twenty-four facilities completed Prison Rape Elimination Act (PREA) audits.

## COMMUNICATIONS

**Registered victims.** The Division of Victim Services registered 1,885 additional people during fiscal 2019.

**Increased victim outreach.** Victim Services' community outreach significantly increased. Representatives attended more than a dozen community events, including job fairs, health fairs, conferences, and a festival. The director appeared before county boards of supervisors (Warren and Pike counties) for the first time to discuss the program.

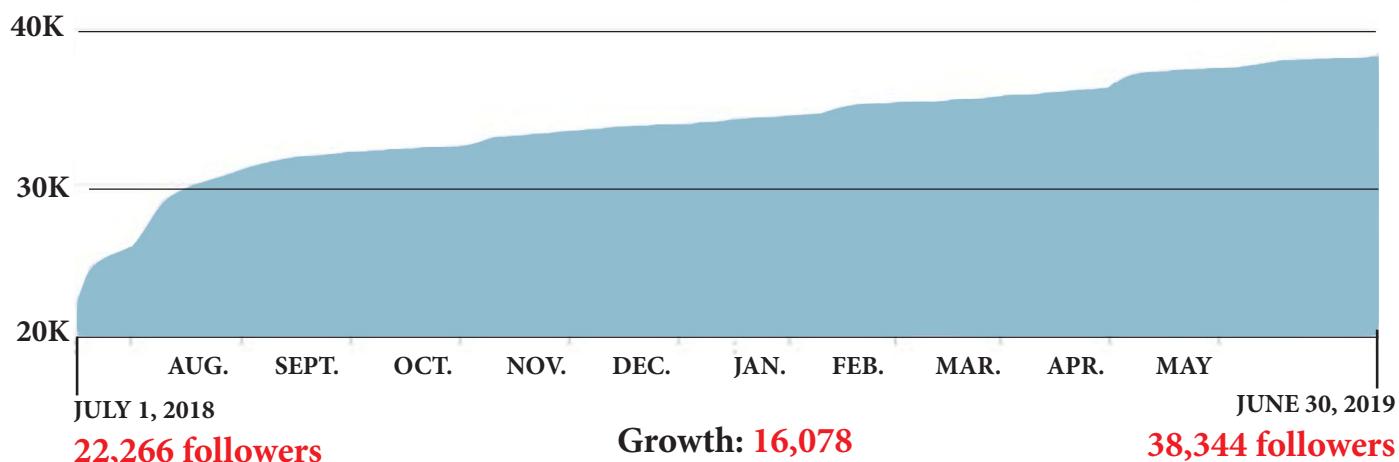

### Statewide Automated Victim Information and Notification (SAVIN):

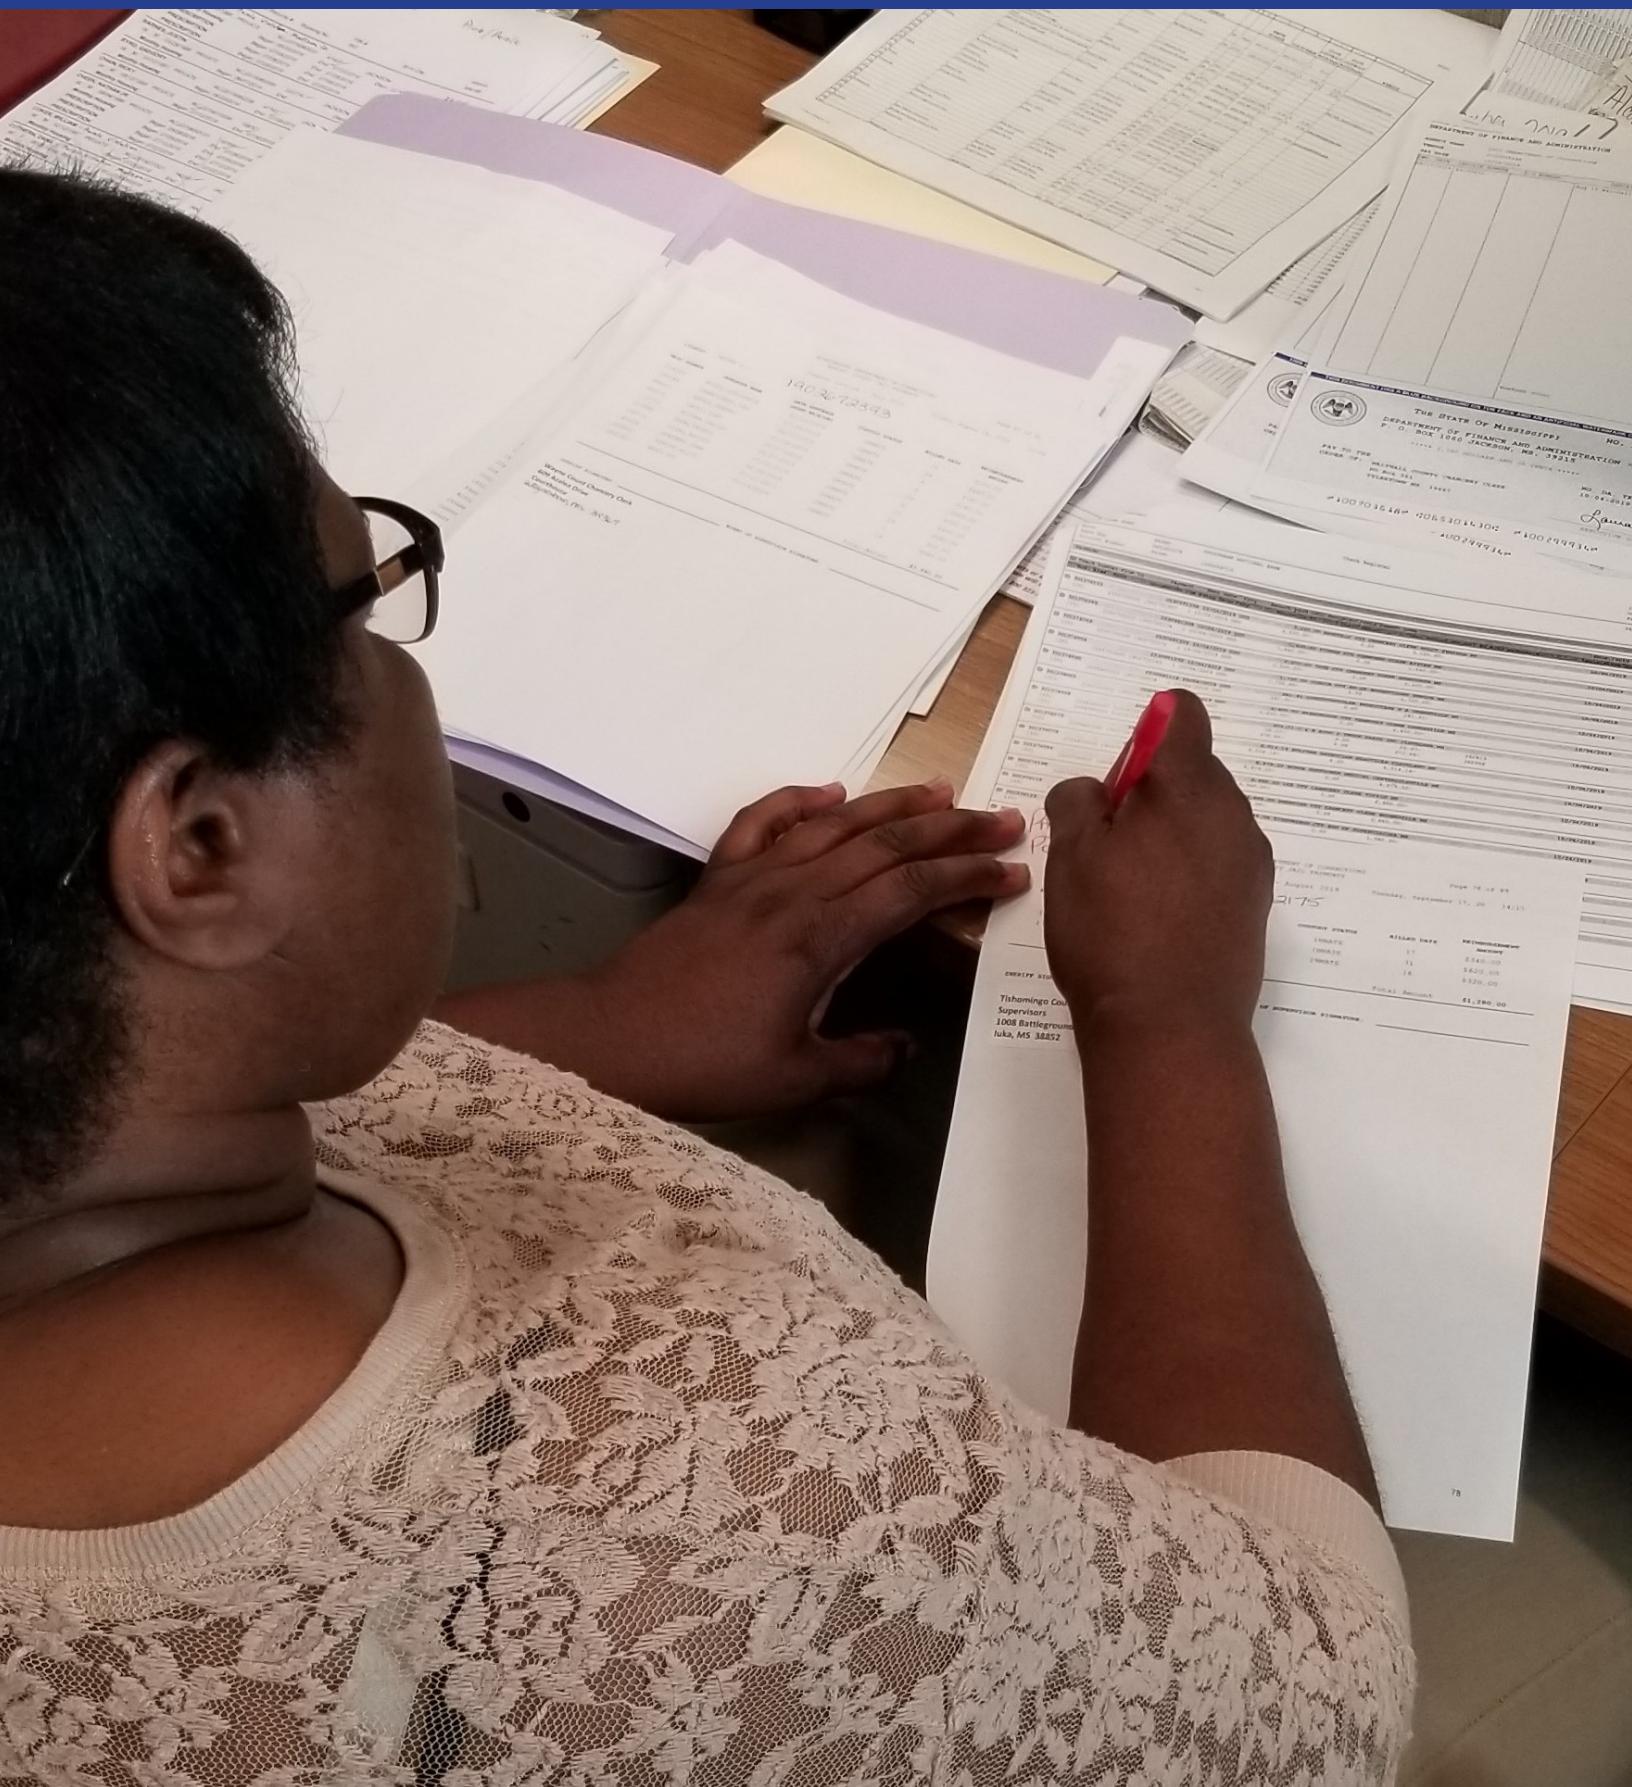

- New VINE registrations (county/state) = 57,532
- Total VINE registrations ending June 30 = 162,818
- Total VINE searches (county/state) = 2,731,116
- Total VINE notifications released (county/state) = 154,373

# Administration and Finance

# Deputy Commissioner Administration and Finance

**Dell Lemley**

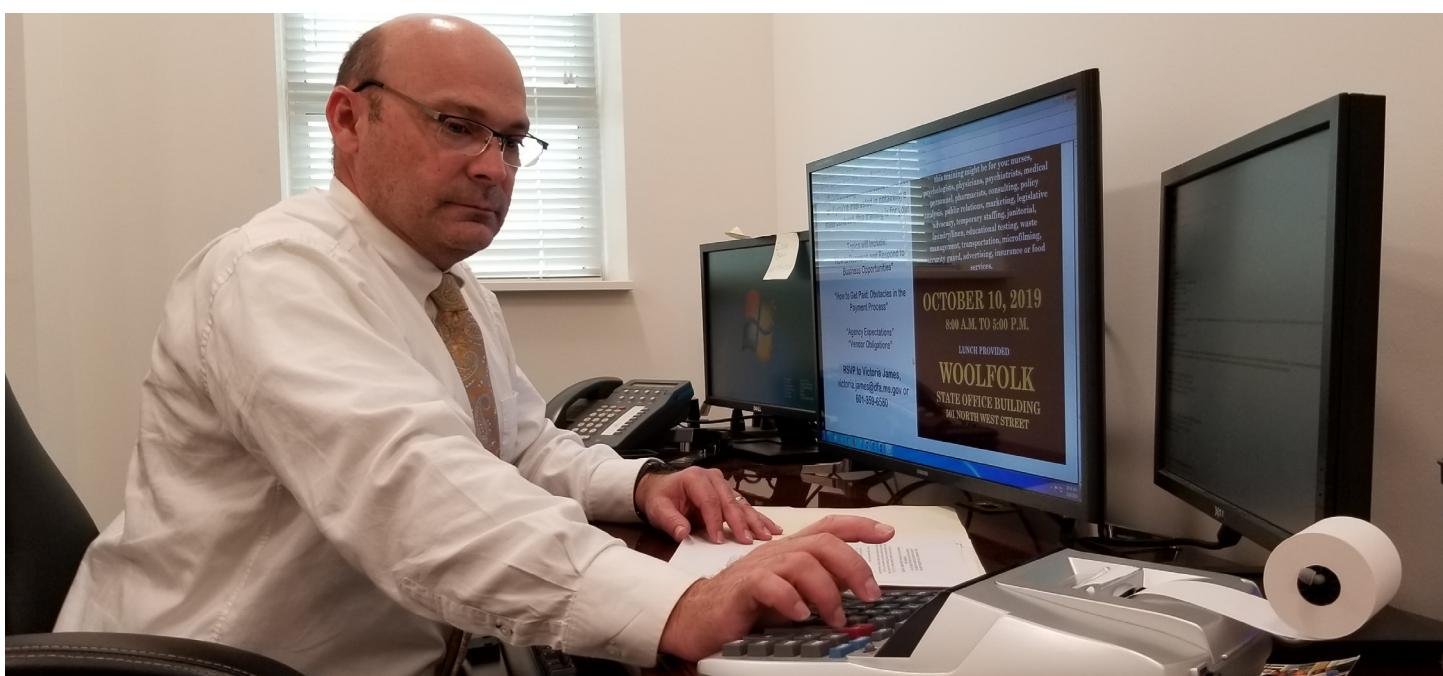

Dell Lemley has more than 25 years of experience working for the Mississippi Department of Corrections and currently serves as the Deputy Commissioner of Administration and Finance.

"I enjoy the family atmosphere and meeting the challenges that come with helping to run a state agency," Lemley said. "It is an honor to serve and look after the financial well-being of MDOC."

Lemley began his career in April 1993 as an Accounting/Auditor I at the Mississippi State Penitentiary. He enjoyed many years of working in the finance department at MSP before transferring to the Central Office in 2007. He has worked in numerous capacities before his current position, including director of fiscal affairs and chief fiscal officer.

Lemley, a native of Greenwood, is a graduate of Delta State University with a Bachelor's of Business Administration degree in accounting. He is a member of the American Correctional Association and Southern States Correctional Association for which he has served on the finance and vendor committees.

He also served for many years as chairman of the Employee Relief Fund Golf Tournament.

# Mississippi Prison Agricultural Enterprises

Agricultural Enterprises, a division under Institutions, is responsible for farming operations at the Mississippi State Penitentiary (MSP) in Parchman and South Mississippi Correctional Institution (SMCI) in Leakesville. Most of the farming occurs at Parchman. Minimum custody residents can participate each year in planting, harvesting, and processing crops, including vegetables and fruits. The crops are shipped to MDOC facilities to feed the incarcerated adults to help reduce food cost.

Crops include blueberries, butter beans, cabbage, pecans, green beans, tomatoes, squash, watermelons, and field peas.

The Mississippi Prison Agriculture Enterprise (MPAE) program leased 9,345 acres in Sunflower and Quitman counties for a total revenue of \$740,378.79 in fiscal 2019. The amount brought the average rent per acre to \$79.23. MPAE farmed 2,500 acres in Sunflower County, growing soybeans and vegetables.

Soybean production was 62,637.98 total bushels. This average per acre was 25.06 bushels with a revenue of \$519,309.89

The vegetable operation produced 200,000 pounds of vegetables on approximately 200 acres. The value of the donated foods was approximately \$133,509. These prices are based on the Atlanta Market and billed to the food contract vendor. The MDOC takes a credit against the weekly invoice for the amount of these food items.

Major pruning in fall 2018 for the blueberry orchard at SMCI impacted revenue temporarily by \$7,000.

# Community Corrections

# Deputy Commissioner Community Corrections

Christy Gutherz

Christine “Christy” M. Gutherz was appointed Deputy Commissioner of Community Corrections in January 2015. Before the appointment, she served as the Community Corrections Director (CCD) for Region II since 2003. She has worked in numerous capacities with the Mississippi Department of Corrections (MDOC). Her career also includes five years with Keeton Corrections as a case manager and a facility director.

Gutherz began her career in corrections as a case manager at the Central Mississippi Correctional Facility (CMCF) in Rankin County. From there, she transferred to Community Corrections as a case manager in a community work center. She also has worked as a probation/parole officer in Rankin County. Gutherz left MDOC to work for Keeton, where she distinguished herself as “Director of the Year” in 2005. Upon returning to the agency, she worked as a special projects officer and a compliance officer before being appointed as a CCD.

Gutherz is a graduate of Delta State University in Cleveland, with a Bachelor of Science degree in criminal justice. She is a charter member of the Mississippi Association of Drug Court Professionals (MADCP), serving as president from January 2005-May 2006; a member and past president of the Mississippi Association of Professionals in Corrections (MAPC); a member of the American Probation and Parole Association (APPA); and a member of the American Correctional Association (ACA). She received the MAPC President’s Award in 1999 and 2000.

Gutherz completed the Certified Public Managers Program in June 2003. She has served as a board member and advisory board member for several community organizations in the Jackson area. She has provided training for Leadership Jackson, the MAPC, and the MADCP.

# Community Corrections

Community Corrections includes work centers, restitution centers, technical violation centers, and transitional housing. Also, the division is charged with the supervision of individuals who serve their sentences in the community through the following types of releases — house arrest (the Intensive Supervision Program), probation, parole, medical release, and earned release supervision (ERS).

## FACILITIES

### **Community Work Centers**

There are 10 community work centers. Minimum security residents are assigned to these centers and are provided a gradual re-introduction into community life. The centers provide alcohol and drug counseling, GED preparation, and religious programs. Residents perform a wide range of labor at no cost to city, county, and state government agencies and school districts. This work includes community beautification projects, bridge and road repair work, vehicle maintenance, water and sewer, and sanitation details.

### **Restitution Centers**

The state's four restitution centers assist individuals under the supervision of the state in obtaining employment as a condition of their probationary sentence. They are located in Greenwood, Flowood, Jackson, and Pascagoula. Money earned by residents is distributed to crime victims for restitution, courts for court costs and fines, and MDOC for room and board. The remainder of the wages, after taxes, goes to the residents' families or the residents' holding account. Upon completion of the program, the residents are referred to a probation/parole agent for supervision and remain with the agent for their probationary sentence.

### **Technical Violation Center**

There are two technical violation centers — males only based at the Delta Correctional Facility in Leflore County and females only at the Flowood Community Work Center in Rankin County. The centers were created under House Bill 585, which took effect July 1, 2014. Individuals are sentenced to a TVC for an act or omission that violates a condition or conditions of being placed on community supervision (parole, probation or post-release supervision). The TVC is designed to address the underlying factors leading to the violation, including substance abuse.

### **Transitional Programs**

Unlike a technical violation center, transitional centers house residents released from the Department of Corrections on parole, probation or post-release supervision who need temporary housing and services that reduce their risk to re-offend. MDOC has both state-operated and private transitional facilities. Portions of four community work centers have been converted to serve as transitional centers: Flowood Community Work Center, Noxubee Community Work Center, Madison County Community Work Center, and Wilkinson County Community Work Center. The MDOC contracts with Crossroads Outreach Ministries in Madison, New Way Mississippi Inc. in Jackson and Magee, Sober Living Residential in Meridian, Mississippi Offender Re-Entry Experience (MORE) in Raymond, and Friendship Connection in Jackson.

Delta Correctional Facility - technical violation center

## SUPERVISION

The Probation & Parole Division is responsible for supervising individuals serving sentences in the community in three regions (North, Central, and South). Each region has a Community Corrections Director (CCD), and that person reports directly to the Deputy Commissioner of Community Corrections.

### ***Probation***

Probation is an alternative to incarceration. A circuit judge has the sole authority to order probation for a defendant. Individuals sentenced to probation must successfully complete the requirements imposed by the court.

### ***Parole***

Parole is a form of early release from incarceration. Multiple factors are taken into consideration, such as type of offense, institutional conduct, and participation in rehabilitative programs. Whether or not an individual is released early to parole is within the complete discretion of the Mississippi State Parole Board.

### ***Intensive Supervision Program***

The Intensive Supervision Program (ISP), commonly referred to as house arrest, provides supervision in a community-setting rather than incarceration. Only a judge can sentence an individual to house arrest. Supervised individuals are required to wear electronic monitoring equipment and are limited in most cases to employment, treatment, and worship services activities. Each individual maintains a custody status and can be immediately placed in an MDOC facility upon violation of the program.

### ***Earned Release Supervision***

Earned Release Supervision is a program whereby an individual eligible under applicable state law, including Mississippi Code § 47-5-138 through § 47-5-140, may earn their conditional release to community supervision through good behavior and performance requirements of the earned time allowance program. Once the individual has met the requirements for release, a probation and parole agent conducts a residence investigation. The residence must be approved prior to release. ERS participants retain custody status. The period of ERS is conducted in the same manner as time on house arrest.

### ***Medical Release***

State law (§ 47-7-4) permits incarcerated individuals with serious medical conditions to be transferred under certain conditions to Community Corrections. The commissioner and the chief medical director may place a non-violent individual on conditional medical release regardless of time served.

## ALTERNATIVES TO INCARCERATION

### ***Drug-Court***

Drug court is a specialized court that handles cases of individuals with drug and alcohol dependency. It seeks to rehabilitate participants through treatment and intense supervision with frequent court appearances and random drug testing. It offers the incentive of a chance to remain out of prison and be employed. However, participants can be sanctioned with a prison sentence, if they fail to remain drug-free and comply with all program requirements.

### ***Pre-Trial Diversion***

The Pre-Trial Diversion program is an alternative to a felony conviction. Defendants voluntarily submit to supervision ranging from six months to three years. Charges may be dismissed, if the period of supervision is successfully completed.

21st Judicial District DUI-Drug Court Graduation

## INTERSTATE COMPACT

Mississippi participates in the Interstate Compact for Adult Offenders. Under the terms of the compact agreement, the MDOC provides courtesy supervision to probationers and parolees from other states in exchange for courtesy supervision of Mississippi's individuals on supervision residing in other states.

## PROGRAMS

### ***Thinking for a Change (T4C)***

Thinking for a Change is a cognitive behavioral therapy model that has been proven to be effective in changing criminological thinking patterns. Thinking for a Change classes are now being offered not only in Institutions but also in Community Corrections.

### ***Alcohol and Drug Treatment***

Alcohol and drug treatment programs are provided at several community-based residential facilities.

### ***Education***

Adult-based education and GED programs are provided at several community-based residential facilities.

### ***Recidivism Reduction Program (R.R.P.)***

The R.R.P. is a court-ordered program in both institutions and the communities. Females sentenced to institutional R.R.P. receive programming at the Flowood facility. Community-based R.R.P. is offered in multiple counties throughout the state.

### ***Resource Assistance Program (R.A.P.)***

There are 26 R.A.P. program coordinators statewide to assist probation and parole agents in monitoring supervised individuals' treatment needs, employment, and additional barriers to their successful re-entry.

Terenthynne Chambers shares his appreciation for the Thinking for a Change program during a graduation.

## INMATE LABOR

In FY 2019, the residents in the community work centers provided municipalities and non-profits in 10 counties with 1,242,898 total hours, valued to equal \$8,102,961.50 (at minimum wage) in free labor.

Individuals under supervision participate in a clean up work detail at a community work center.

## DRUG TESTING

Probation & Parole Agents are responsible for drug testing 10 percent of the offender population each month, either routinely or based upon suspicion.

# Institutions

# Deputy Commissioner Institutions

**Jerry Williams**

Jerry Williams is the Deputy Commissioner of Institutions, a role he has held since 2015. He also has led Community Corrections and is one of the few employees in MDOC's history to move through the ranks to lead both divisions.

Prior to his current assignment, he served in the following capacities: Deputy Commissioner of Community Corrections, Region III Community Corrections Director, Branch Director II-American Correctional Association (ACA) Manager for Community Corrections, Operation Management Analyst Principal at Central Office, and Correctional Commander, Correctional Supervisor/MDOC Liaison for Offender Health Care Services, Sergeant and Correctional Officer, all at the Central Mississippi Correctional Facility.

Williams is a graduate of Jackson State University in Jackson with a Bachelor's degree and a Master of Arts degree, both in sociology, with an emphasis in criminal justice.

Williams has served on an advisory board for several community organizations and is an Executive Gold Member with the ACA.

## Mississippi State Penitentiary

P.O. Box 1057  
Parchman, MS 38738  
662-745-6611

The Mississippi State Penitentiary (MSP) is the state's oldest institution, opening in 1901. It is located on approximately 18,000 acres at Parchman in Sunflower County. It has 3,590 beds, 58 support buildings and seven different housing units, ranging in size from 56 beds at Unit 42 (hospital) to 1,568 beds at Unit 29.

MSP is authorized to have a total of 753 positions, 736 of which are full time, eight are time limited full time, and nine are part time in fiscal 2019.

MSP houses all male offenders who are classified as protective custody, administrative segregation, administrative long-term segregation, and death row. The custody levels are minimum, medium, and close.

MSP offenders provide more than 100,000 hours of free offender labor each year to adjacent municipalities and counties, as well as assisting other state agencies.

The majority of the farming activity involving Mississippi Prison Agricultural Enterprises (MPAE) happens at MSP. MPAE supplies food to Parchman and the other two state prisons, 10 community work centers and four restitution centers.

Mississippi Prison Industries Corp. (MPIC) operates a work program for its textile and metal fabrication.

Also, unlike the other two state prisons, MSP has its own hospital. Health care is contracted through Centurion Mississippi, LLC, which provides medical services 24 hours a day.

Another unique feature of Parchman is that it is where state executions are carried out. All executions are carried out at Unit 17 by lethal injection.

Parchman cemetery is also located on prison grounds. Inmates whose families cannot afford to bury them or those who do not have family members to claim their remains are buried on two acres. Records show that the first burial was in 1930.

Programs offered at MSP include: therapeutic recreation, religious programs, independent study and tutorial programs, pre-release, faith based program, alcohol and drug program, ABE/GED programs, Administrative Remedy Program (ARP), PACT, agri-business, auto body and fender, auto mechanics, carpentry, diesel mechanics, communications systems installer, heating, air conditioning and refrigeration, industrial electricity, marine maintenance, welding, and culinary arts.

### Central Mississippi Correctional Facility

P.O. Box 88550  
Pearl, MS 39208  
601-932-2880

The Central Mississippi Correctional Facility (CMCF) was established in 1986 and built on 171 acres in Pearl in Rankin County. The facility was expanded in 1996 and now includes 18 housing units and 10 support buildings to accommodate its current capacity of 4,073 beds. CMCF is the first stop for individuals sentenced to the Mississippi Department of Corrections (MDOC). It provides initial orientation and classification.

CMCF is authorized to have 711 positions, including 702 permanent full time, seven time limited full-time, and two part time in fiscal 2019.

Of the three State Prisons, CMCF is the only facility to house female offenders and youthful offenders. Its population consists of both male and female offenders of all custody levels (minimum, medium, and close) to include female offenders sentenced to death.

Youthful offenders are housed in a separate facility. The Youthful Offender Unit (YOU) opened on Dec. 12, 2012, as a separate, independent facility to serve individuals under the age of 18. It offers a wide range of programs to include Academic Classes, Vocational Programs, Mental Health Counseling, Psychological and Psychiatric Services in a group and individual basis, Alcohol and Drug Treatment, Social Services, Religious and Recreational Services.

Mississippi Prison Industries Corp. (MPIC) operates a commercial print shop; a Johnson & Johnson Clean Room, which provides cleaning and sterilization of suture spools for its suture manufacturing operations; and a metal fabrication shop.

### Programs/services offered at CMCF include:

Alcohol & Drug Treatment  
AA/NA  
Adult Basic Education  
Inmate Legal Assistance Program  
Pre-Release  
Religious Services  
Kairos Prison Ministry  
Bible Study  
Therapeutic Recreational Programs  
Veterans Program  
Prison-to-College Pipeline Program  
Recidivism Reduction Program  
Academic & Vocational Programming  
Library Services

Barbering & Cosmetology Services  
Family Dynamics Class  
Business Technology  
Apparel & Textile  
Mentoring and Tutoring  
Life Skills & Anger Management  
1A Mental Health Program  
Art Therapy/Expressions  
Dance to be Free  
In 2 Work Food Service Program  
Prison Industry  
Lifers/Extended Sentences Program  
Gardening & Landscaping  
Family Visitation

## South Mississippi Correctional Institution

P.O. Box 1419  
Leakesville, MS 39451  
601-394-5600

The South Mississippi Correctional Institution (SMCI), established in 1989, is the newest state prison in Mississippi. It is the first prison in the state to receive accreditation from the American Correctional Association and the National Commission on Correctional Health Care.

SMCI sits on 360 acres at Leakesville in Greene County. It has 16 housing units and a maximum 3,082 beds. Men classified as minimum, medium, and close custody are housed there as well as those in protective custody and long-term segregation.

The prison is authorized to have 408 positions including four full time, time limited in fiscal 2019.

SMCI provides free inmate labor to Greene County and adjacent municipalities and assists other state agencies. Inmates are assigned to the Greene County Road Crew and a mobile work crew.

Inmates can also work in the blueberry operations. The orchard was started at the prison in 2006 as a way to address inmate idleness and to teach inmates a trade skill in the blueberry industry. The blueberries help reduce food cost and serve as a healthier menu option.

Programs offered include: Adult Basic Education, Alcohol & Drug, Religious Programs, Vocational Programs, Inmate Legal Assistance, Pre-Release, and Therapeutic Recreation. The SMCI Education Department offers both Adult Basic Education (ABE) and General Educational Development (GED). Students have access to a full-time counselor. The Alcohol and Drug Program is both short term (12 weeks) and long term (six months) with individual and group counseling for treating alcohol and drug addictions. Other than alcohol and drug education, the classes and groups cover relapse prevention, coping skills, life skills/re-entry and post release, interview skills, anger and stress management, depression management, anxiety management, communication, and relationship skills. Upon successful completion, offenders are awarded a certificate. Services are also provided for community work center offenders and those in SMCI administrative segregation and protective custody units.

The Chaplains Department is responsible for all religious activities at SMCI. In addition to regularly scheduled religious programs, Bible classes are offered whereby the inmates may study together. The department has a pastoral and crisis ministry which includes spiritual guidance counseling during a crisis or grieving period. Chaplains also provide marriage counseling and coordinate the marriage process of those incarcerated. Additionally, this department is responsible for interviewing, training, and supervising volunteers providing a variety of services.

The Vocational Technical Department offers five programs (auto body, auto mechanics, electrical, plumbing and pipefitting, and welding) that enable offenders to become productive citizens after release. The length of each program is 1,300 hours to 2,650 hours. GED classes and tutoring are available at night. Offenders can obtain employment skills through Mississippi Prison Industries Corp.'s clothing manufacture operations.

Through the state's contracted healthcare vendor, Centurion, LLC provides onsite medical services to its offenders and those at the regional facilities in south Mississippi. These onsite services include, but are not limited to, emergency care, infirmary care, dental, optometry, clinical, and pharmaceutical services. Specialty care services are also available through a network of off-site contracted hospitals and specialty care providers.

# Programs

# *Deputy Administrator Technology and Programs*

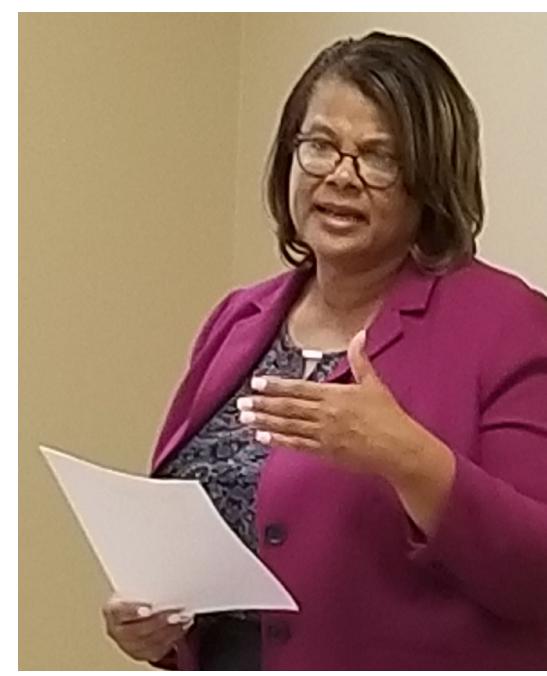

**Audrey McAfee**

Audrey McAfee has more than 30 years of experience as an information technology professional and correctional business analyst. She was appointed Deputy Administrator in 2017. She has directed management of the information systems since 2002 and oversees Inmate Treatment & Programs, Re-entry, and Records. She has served in several other positions, including as director of policy and planning from 2001 to 2002; lead programmer analyst from 1989 to 2001; research statistician from 1988 to 1989; and accounting clerk from 1986 to 1988.

In her current role as Chief Information Officer, McAfee provides analyses and makes recommendations to meet legislative changes and to implement new or modified programs. Essentially, she translates requirements into action plans and provides the leadership necessary to ensure business needs are addressed efficiently and effectively. She is on the front line of prison operations in the state, and has played an instrumental role in criminal justice reform achieved under legislation enacted in 2014.

McAfee has a Master of Business Administration degree from Belhaven University and a Bachelor of Science degree in chemistry from Tougaloo College. Also, she has various certificates from the State of Mississippi IT Course Work. She is the agency representative on the Mississippi Wireless Communication Commission.

## Treatment and Programs

*The Division of Treatment and Programs plays an integral part in the operations of the state's correctional facilities. The division provides programs and services designed to comply with court orders and to improve the incarcerated resident and their chances of success upon release.*

The program component includes: education, Adult Basic Education (ABE), General Education Degree (GED), vocational programs, pre-release, religious and volunteer services, administrative remedy program, re-entry program, inmate legal assistance program, Mississippi Prison Industries, Recidivism Reduction Program (RRP), and the youthful offender program.

### EDUCATION

The mission of the schools is to offer classes that will enable all returning citizens who desire training to enroll, succeed, and return to their communities as productive citizens with the skills needed to succeed in the work-force.

The Education Department provides training that meets the academic, workplace development, and vocational needs of returning citizens. Adult education and vocational classes are offered at the three state institutions: Mississippi State Penitentiary at Parchman (MSP), Central Mississippi Correctional Facility (CMCF), and South Mississippi Correctional Institution (SMCI).

Academic and vocational classes for youthful residents 17 years of age and younger are provided at the Youthful Offender Unit (YOU) School at CMCF. Adult education classes are also offered at the private and regional facilities along with vocational classes at some of the private and regional facilities.

Vocational night classes are offered at MSP through Mississippi Delta Community College. Residents who wish to enroll in college classes may take correspondence courses. They are responsible for their college tuition fees.

In 2019, the MDOC served 646 people in the Adult Education Division, 560 offenders in Vocational Education, awarded 147 Smart Start Certifications, assisted 143 offenders to earn their National Career Readiness Certification (NCRC), and ensured that 85 offenders received certifications from the National Center for Construction and Research (NCCR).

## RE-ENTRY

The mission and vision for the Re-Entry Department is to help returning citizens and communities move forward by enhancing re-entry partnerships. The MDOC has partnered with numerous agencies and have implemented several programs to assist returning citizens. A few examples of this collaboration include working with Feeding the Gulf Coast Outreach Program (SNAP), Department of Human Services (Child Support), Governor's Job Fair Network (Re-entry Job Fair), Federal Bureau of Prisons (Re-entry Resource Fair), and ASC (Housing).

MDOC launched the SSI/SSDI Outreach, Access, and Recovery Program (SOAR). The program is designed to increase the number of SSI/SSDI approvals for incarcerated residents at risk of homelessness and those with serious mental illnesses and other disabilities. The goal is to have SOAR-trained staff across the agency.

The MDOC held its second annual Re-Entry Symposium on June 20, 2019, at Broadmoor Baptist Church in Madison during Statewide Re-entry Month. Nearly 400 individuals of diverse backgrounds, elected officials, including Gov. Phil Bryant, attended. Correctional leaders from neighboring states, other state agency representative and community partners joined together to share ideas and best practices in support of re-entry needs for incarcerated and the formerly incarcerated individuals.

Andre Norman, former gang member who turned his life around after 14 years in prison, was the motivational speaker.

The goal was to inform citizens, community partners, and leaders about what it takes for incarcerated individuals to become successful after release.

## PRE-RELEASE

Pre-Release assists returning citizens with identifying career interest, developing resumes, conducting job searches, becoming financial aware and developing new positive behaviors that will impact their real world experience. Pre-Release also assists individuals with educational needs through the Adult Education Program in which they may also complete GED preparation, remedial education, and adult literacy.

## 2019 ▶ MDOC Annual Report

Incarcerated residents participate in Thinking for a Change (T4C), a cognitive behavioral change program addressing the cognitive social and emotional needs. Participants can receive the National Career Readiness Certification (NCRC), which certifies the work skills needed for success in jobs across industries and occupations.

The Commercial Driver's License (CDL) program provides individuals a combination of technical skill development, soft-skills training, and vocational education through Pre-Release/Re-Entry. The CDL program is offered to males and females housed at or transferred to the CMCF. Participants are prepared to take the Commercial Driver's License permit written tests. The curriculum includes eight hours of training per day for eight days, an on-site CDL instructor, hands-on classroom instruction, and a tractor-trailer simulator.

### INCARCERATED VETERANS PROGRAM

The MDOC offers U.S. military veterans a holistic, full-service therapeutic community at the CMCF. Any classified resident is eligible for the program provided that he or she is a verified veteran, served a minimum one day of active duty service, has any discharge, and has verifiable DD214. The Incarcerated Veterans Program houses approximately 60 residents and priority is given to those with less than 18 months remaining on their sentence. The goal of the program is to reduce recidivism through development of job skills and employment placement prior to release. To achieve this goal, the program offers a 40-hour weekly curriculum core courses. Additionally, electives include: untangling relationships, be a better man general session lecture series, substance abuse education, Retrieving Freedom Dog Training, victory garden, and reach your potential personal and professional development.

## Programs

# Alcohol and Drug Treatment Programs

The mission of the Alcohol and Drug (A&D) Program is to provide clinical treatment and rehabilitation services to individuals who have co-occurring mental health conditions or who have committed an alcohol and/or drug crime(s). The goal is to address the substance use disorder using evidence-based curriculums (e.g., Cognitive Behavioral Therapy, Dialectical Behavioral Therapy, 12-step facilitation, mindfulness, meditation classes, Betty Ford On Demand Living in Balance Curriculum, art therapy, along with psychoeducation about drugs of abuse and clinical treatment team meetings) aimed at correcting ineffective behaviors and unhelpful thought patterns. These clinical A&D services are provided to offenders who are court ordered to alcohol and drug treatment, parole pending completion, Intensive Supervision Program, MDOC referral or volunteer.

The Alcohol and Drug Program also provides re-entry referrals to offenders discharging for primary and secondary A&D treatment facilities, Alcoholics Anonymous, Narcotics Anonymous and Cocaine Anonymous meetings and home placement recommendations. In most cases, through interdisciplinary treatment team meetings and planning, offenders are offered tailored transition plans prior to discharge from our treatment programs.

**Mississippi State Penitentiary** provides a short-term program for offenders with at least six to 30 months remaining in their sentence. The Alcohol and Drug Therapeutic Community Treatment Center units house 100 therapeutic treatment beds, group rooms and classrooms with clinical staff office space adjacent to each housing unit.

**Central Mississippi Correctional Facility** provides both a 12-week traditional A&D program and a long-term program (6 months to 12 months) for female and male offenders. In addition, a 12-week treatment program is available for special needs (disability) male offenders. The traditional 12-week A&D program based on principles of Alcoholics Anonymous is provided for special needs (disability) offenders at Central Mississippi Correctional Facility. A 12-week basic A&D psychoeducation program is provided to eligible offenders housed in high risk, lockdown, and protective custody units.

**South Mississippi Correctional Institution** provides both a traditional 12-week A&D program and a long term (six month) program for general population offenders.

**The Residential Substance Abuse Treatment (RSAT) Program** is operated in the Flowood, Pike and Quitman Community Pre-Release Centers for offenders who are within six months to one year of release. The offenders provide work in the community during the day and attend A&D clinical treatment in the evening.

**The Flowood Community Work Center** offers a 12-week A&D program for females who are completing their sentence, or are being released to community supervision.
